Share a table with two of America's most effective life changers, and current UIC Consultants, to witness and learn how lives are being changed at UIC in a big way!

Algenoy L. Alexander is a captivating and inspirational motivational speaker, trainer, and success strategist will be in attendance co-sponsoring a powerful leadership table at the UIC CHANCE 10th Anniversary Gala This agent for change is an experienced leader who edifies servant leadership principles and life purpose. On the speaker's stage, Algenoy is personally engaging, thought provoking, and passionate in his delivery. He is an avid reader of Psychology, History, Economics, and Metaphysics. A product of the Hip Hop generation, he is able to incorporate its culture into his presentations, bringing a diverse perspective to his seminars. He has a remarkable ability to hold an audience's attention with a fast moving combination of stories, examples, humor, poetry, and concrete practical ideas that get results fast. A national speaker, Algenoy has provided motivating and interactive presentations to over 100,000 high school and college students, as well as professionals of diverse backgrounds. Algenoy is a diverse individual. He is a poet, a musician, artist, designer of clothing line, a Trainer and Master Practitioner of Neuro Linguistic Programming, Hypnotherapy, Time Line Therapy and Coaching. Because of his entrepreneurial spirit, Algenoy founded and is the Executive Director of WiseWorks Inc. It is this diversity and vision that allows him to connect to his audiences.

Rodney Moyer, founder of The Leadership JITSU Academy, UIC Chance Consultant, and one of the top rated youth speakers in the Nation will be in attendance co-sponsoring a powerful leadership table at the UIC CHANCE 10th Anniversary Gala. **As seen Live on CNN's Anderson Cooper 360 Show** Rodney Moyer credits his experiences as an **Award Winning & World Class Student Leader** with providing the foundation needed to create substantial success personally, corporately, entrepreneurially, and **most importantly, as a Father!** (www.rodneymoyer.com) He has taken all of those experiences and compiled them into messages that he has delivered to youth across America! Educational leaders and students consistently rate Rodney the Best Youth Speaker that they have ever seen. It is one thing to deliver powerful information, and another to deliver the information in a way that causes our students to **think differently and take immediate action.** That is Rodney Moyer, "**THE Authority on Student Leadership & Success!**"

The University of Illinois at Chicago CHANCE Program was created in 2004 to assist the campus with its efforts to recruit, retain, and graduate underrepresented students. Since that time, the UIC CHANCE Program has attracted a diverse pool of students from all walks of life. Through the collective partnerships and outreach initiatives, UIC CHANCE has opened doors and changed the lives of over 2500 UIC students, and over 6,000 elementary and high school students. The core program consists of offerings in the areas of academic support, student retention, cultural enrichment activities, student engagement (academic and social), hands-on training, leadership building, and innovative curricula that prepares learners for real world settings all geared towards academic success and lifelong learning skills. CHANCE programming strives to promote community and civic engagement project based learning, activates, access to internships, study-abroad courses, self-empowerment workshops, campus advocacy, and success series workshops each targeted through a variety of best practices.
